MADE IN SASSUOLO

Dal 1980 Belmontiles propone prodotti e soluzioni estetiche all'avanguardia nel settore ceramico. La vasta gamma di pavimenti e rivestimenti garantisce ai nostri clienti una perfetta sintesi tra qualità produttiva ed ultime tendenze di mercato. Proprio per non venire meno a questa peculiarità, nel 2017 Belmontiles è stata inserita nella struttura di SIL ceramiche; tutto ciò ha permesso di espandere nuovi mercati esteri, rafforzando la propria posizione in Italia, e di allargare le sue gamme di prodotti, senza snaturare la sua struttura snella ed affidabile, consolidata da 37 anni di attività.

Belmontiles offers avant-garde products and aesthetic solutions in the ceramic fields since 1980. The wide range of items for floors and walls grants our customers a perfect synthesis between productive quality and the latest trends in the market. In order to respect this particularity, in 2017 Belmontiles was inserted in the SIL Ceramiche structure; all this has allowed to expand new foreign markets, strengthening its position in Italy, and to increase its product range without distorting its dynamic, reliable and consolidated structure, after 37 years of activity.
